► Welcome to CDBC's Preschool Ministry!

Our Preschool Ministry is here to serve you and your wonderful child!

When you leave your children with us, you can feel secure that they will be well taken care of. We take measures with our check-in/check-out system to ensure the safety of your children.

Please have one parent or guardian check-in and out your child. Let our staff know if your child has any special needs (allergies, etc.) so we may best care for him or her.

Things to Know

- Nursery age children (birth - 3 years) will be taught and cared for in the nursery department. Older children will be cared for in the adjoining preschool area.
- To avoid congestion, we ask that only one parent or guardian bring and pick up the child.
- There is a private place for nursing mothers.
- In order to protect all children, we do not care for sick children.
- We provide a snack for your child during the services. Please inform us of any allergies that your child has.
